

Innovative electrical solutions tailored to your lifestyle

We understand the amount of choices you need to make when building or renovating your dream home. So that's why we've partnered with PDL to help make things, simpler, safer and more energy efficient.

Wiser by PDL is a scalable, automated smart home solution that lets you control almost everything in your home with a single app. It's easy to install and set up and can grow as your needs change.

GET STARTED – WISER HUB & STAND

Let the Wiser Hub give you control of your home from your smart phone in any location. Enabling you to easily manage your home environment, our hub connects multiple Wiser devices via the Wiser by SE app.

Product	Part Code	Qty
Wiser Hub	PDL501902	1
Wiser Hub Stand	PDL501902_0001	1
Total Inc GST		

PACK OPTION 1 – KITCHEN & SCULLERY

Optimise your energy efficiency and take charge of your home by taking the complications out of your daily life. Controlling a total of five light circuits, your comfort and peace of mind are right at your fingertips.

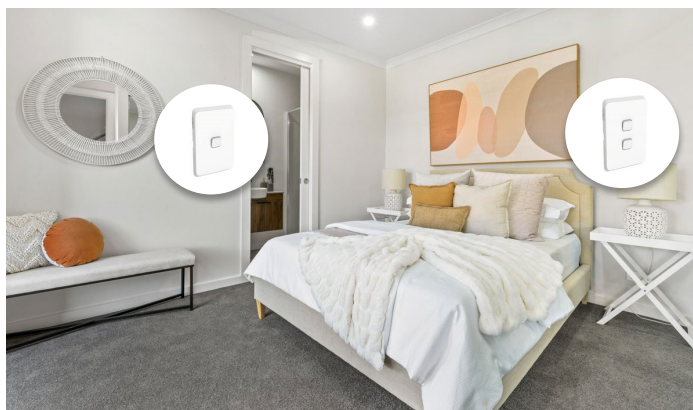

Product	Part Code	Qty
Wiser Connected Switch 2AX	PDL356PB2MBTZ-VW	3
Wiser Connected Dimmer	PDL354PBDMBTZ-VW	2
Total Inc GST		

PACK OPTION 2 – MAIN BEDROOM

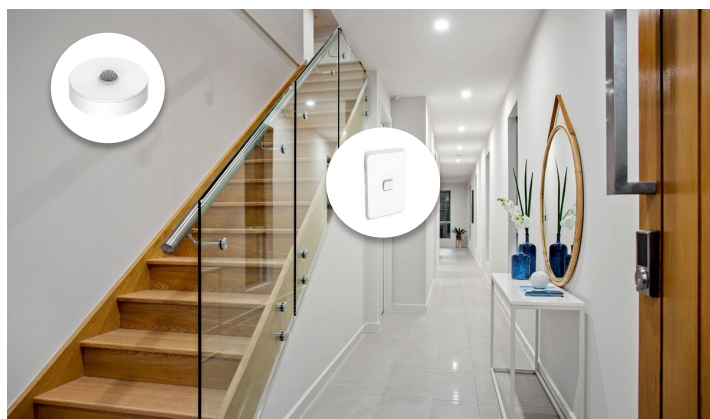

Set the mood to wake up for the day or settle in for a peaceful, relaxing evening. Controlling a total of three light circuits, you can preset lights and dimming levels or control them at the touch of a button.

Product	Part Code	Qty
Wiser Connected Switch 2AX	PDL356PB2MBTZ-VW	2
Wiser Connected Dimmer	PDL354PBDMBTZ-VW	1
ControlLink Mech for 2 way switching	PDL356PBSSL-VW	2
Total Inc GST		

PACK OPTION 3 – ENTRY & HALLWAY

Using the Wiser Motion Sensor, your home can anticipate your next move by automatically turning one or more lights on. Two-way switching will enable you to control lights from either end of your hallway and adjust them to different light levels depending on the time of day.

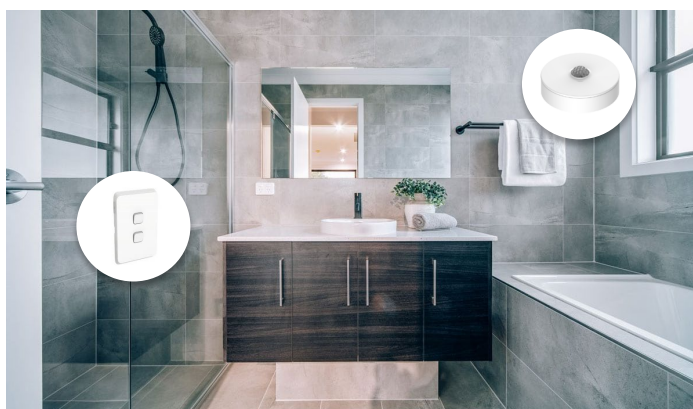

Product	Part Code	Qty
Wiser Connected Dimmer	PDL354PBDMBTZ-VW	1
Wiser Motion Sensor	PDL595011	2
ControlLink Mech for 2 way switching	PDL356PBSSL-VW	1
Total Inc GST		

PACK OPTION 4 – MAIN BATHROOM

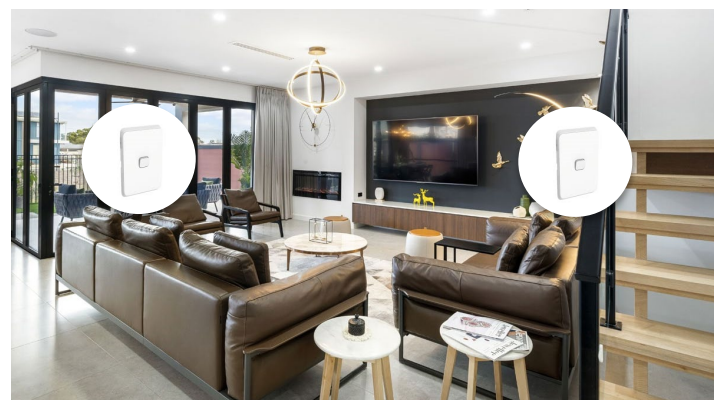

Control your bathroom lighting and ventilation and add energy efficiency too. Dim your bathroom lights down for a relaxing bath, or to full brightness for your morning routine. Programme your heated towel rail to turn on and off at preset times to save power, or your bathroom fan to stay on for a set length of time when you start your shower.

Product	Part Code	Qty
Wiser Connected Switch 2AX	PDL356PB2MBTZ-VW	1
Wiser Connected Dimmer	PDL354PBDMBTZ-VW	1
Wiser Motion Sensor	PDL595011	1
Total Inc GST		

PACK OPTION 5 – LOUNGE

Settle in for a quiet evening in front of the television and adjust the lighting to suit your mood – or give your house a lived-in look while you are away by having lights turn on automatically at a set time. With one standard switch and one dimmer, you can control the mood.

Product	Part Code	Qty
Wiser Connected Switch 2AX	PDL356PB2MBTZ-VW	1
Wiser Connected Dimmer	PDL354PBDMBTZ-VW	1
Total Inc GST		

PACK OPTION 6 – SMOKE ALARMS

Wiser dual-spectrum photoelectric smoke alarms can be interconnected so if smoke is detected they will all respond. Connected to the Wiser Hub, the alarms can turn all the lights on fully across two circuits within a set time period if smoke is detected. Wiser can also send notifications to your smartphone.

Product	Part Code	Qty
Wiser Connected Smoke Alarm	PDL599WSAL	3
Wiser Connected Dimmer	PDL354PBDMBTZ-VW	2
Total Inc GST		

PACK OPTION 7 – MAIN BEDROOM CENTRAL CONTROL SWITCH

Feel safe and secure in the knowledge that Wiser enables more control over your house. Set one switch to turn several light circuits throughout the house on at once for instant illumination at night or whenever you need it most.

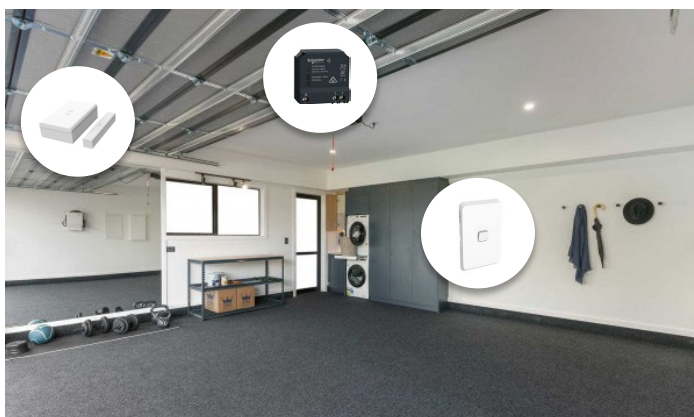

Product	Part Code	Qty
Wiser Connected Switch 2AX	PDL356PB2MBTZ-VW	3
Total Inc GST		

PACK OPTION 8 – GARAGE DOOR

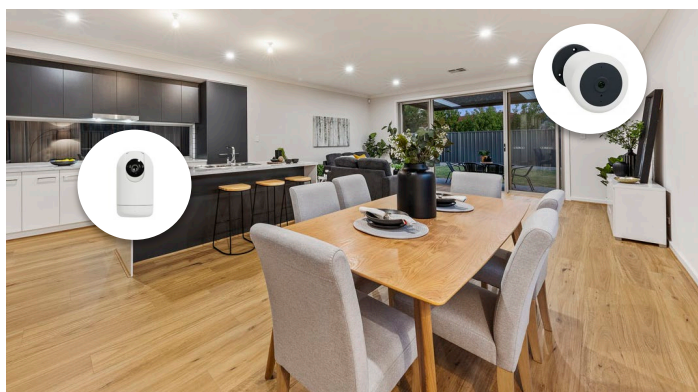

Forgot to shut the garage door when leaving in a rush? Check on the Wiser by SE app if the door is closed - with the door/window sensor fitted to the garage door. If not, close the garage door from the app, or open the garage door as part of an 'arriving home' moment (when used with other Wiser packages).

Product	Part Code	Qty
Wiser Connected Switch 2AX	PDL356PB2MBTZ-VW	1
Wiser Window/Door Sensor	PDL591011	1
Wiser Micro Module Switch	PDL5011WSZ	1
Momentary Switch	PDL356PBSS-VW	1
Total Inc GST		

PACK OPTION 9 – SURVEILLANCE CAMERAS

With adjustable camera position and IP56 protection, our wide-angle view outdoor camera can be installed on a wall or ceiling/eave. Day and night motion detection HD video recording on our indoor camera provides peace of mind via alerts, intercom and event or continuous recording.

Product	Part Code	Qty
Wiser IP Camera Indoor	PDL723419	1
Wiser IP Camera Outdoor	PDL724419	1
Total Inc GST		

PACK OPTION 10 – ROOM TEMPERATURE CONTROL

Continue your Wiser journey and create ambiance in the home by adding blind and temperature control in the lounge. By tailoring the Wiser system to your lifestyle, you can create moments and automations to make your home work for you. Set your heat pump to turn on automatically and blinds to come down if the temperature in the room reaches a certain level.

Product		Qty
Wiser Micro Module Blind Control	PDL5015WBZ	2
Wiser IR Convertor	PDL501401	1
Wiser Temperature/Humidity Sensor	PDL593011	1
3 Position Switch	PDLP387M3TM-XW	1
Total Inc GST		

ICONIC MICRO MODULE BLIND CONTROL

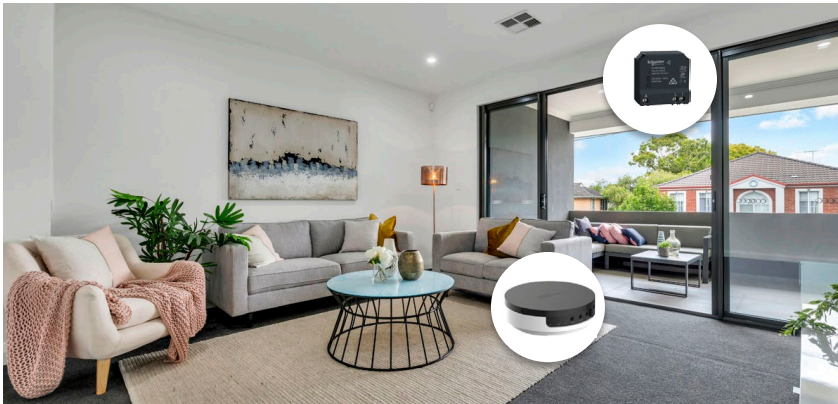

Control your hard-wired blinds, curtains or shutters. The module will be mounted behind the wall close to the blind motor for up and down or left and right movement

WISER IR CONVERTOR

Automate your home infrared (IR) controlled devices such as split system air-conditioning and TV/AV equipment. Please check the PDL website for appliance compatibility.

WISER TEMPERATURE/HUMIDITY SENSOR

This tiny device can be mounted on the wall or ceiling and detects temperature and humidity so that your Wiser system can trigger other devices in response to environmental changes.

PACK OPTION 11 – HOLIDAY TIME BUNDLE

Bringing safety and security to your home while you are away couldn't be easier with a PDL Wiser Smart Home. Keep an eye on things using the external camera via the Wiser by SE app and get a notification sent to your smart phone if a water leak is detected. Programme blinds to close to protect furniture from harsh light during the day and lights to turn on and off at set times to give a 'lived-in' appearance.

Product		Qty
Wiser Connected Switch 2AX	PDL356PB2MBTZ-VW	2
Wiser Connected Switch 10AX	PDL356PB10MBTZ-VW	1
Wiser Water Leakage Sensor	PDL592011	1
Wiser IR Convertor	PDL501401	1
Wiser Motion Sensor	PDL595011	1
Wiser Temperature/Humidity Sensor	PDL593011	1
Wiser IP Camera Outdoor	PDL724419	1
Total Inc GST		

WISER CONNECTED SWITCH

With flexible installation options, our switch is ideal for controlling lighting and exhaust fans, it provides full home automation control and functions.

WISER WATER LEAKAGE SENSOR

Detects a water leak and alerts you by sounding an alarm and also by sending a notification via the Wiser by SE app to your smart phone.

WISER IR CONVERTOR

Automate your home infrared (IR) controlled devices such as split system air-conditioning and TV/AV equipment.

WISER MOTION SENSOR

Our Motion Smart Sensor detects movement, measures luminance in a room, and reports the status to the Wiser Hub.

WISER TEMPERATURE/HUMIDITY SENSOR

This tiny device can be mounted on the wall or ceiling and detects temperature and humidity so that your Wiser system can trigger other devices in response to environmental changes.
